

NYSSA
Board Meeting
July 17, 2026

Attendees: All Board members were in attendance. Guests included: V. D'Agostino, R. Dorato, N.Calla, R. Natoli, J. Castelleneta, N.Catelleneta

Minutes: Accepted as presented.

Financials: C. Schafer briefed the Board, everything on track. All financials as of July 17th are in line with the plan. An error was noted on the funds flow statement, it omitted a disbursement to H. Brittman for bat labels of \$161.67.

All Star Game : Went off without a hitch. One complaint was food shortage. For some reason a smaller amount of food was ordered; a problem noted for next year.

Media Day: A few issues were noted, Bristol did not do a great job of inviting the media. Also players need to improve communication on whether if eligible players will be attending.

Schedule: It was voted that the game scheduled for August 5th had to be rescheduled to another field. The Brewers and Reds to work it out??

Photos: J Castellenata sets up an NYSSA face book page for NYSSA. All players will have access.

Manager Opening: There are currently no open managerial spots. J O'Shea, a manager for many years, wanted to be considered for an opening when one arises. The board voted and that request was denied.

Rules Change: J Princivalli proposed for 2027 we consider having 2 divisions, one from 70+ and one for over 80+. Perhaps 6 teams in over 70 and 4 teams in over 80. That matter was deferred until the season ends and we discuss 2027 rules.

Year End Luncheon: Date set for Thursday Oct 29th at Stewart Manor Country Club, more information to follow.

Next Meeting: August 21, 2026, Cantiague Park, 10 AM.
